**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We love our local internet provider. They not only have a great product they have amazing customer service. When we call for help they actually answer the phone and come to our store to fix physical problems when necessary. It's amazing! Please support any governmental action that will keep our small broadband providers in business!

Thank-you,

Ruth Maletz
